

Appendix A: Abbreviations

APPENDIX A – ABBREVIATIONS

ACC	Auxiliary control console
AIBN	Accident Investigation Board Norway
AIS	Automatic Identification System
ALS	Forsvarets felles alarmsentral / Armed Forces' joint alarm centre
ATAS	Active Towed Array Sonar
AU	Audio Unit
CA	Command advisor
CAO	Corrective action order
CBRN	Chemical, Biological, Radioactive, Nuclear
CCTV	Closed circuit television
CCU	Cluster control unit
CGV	Coast guard vessel
CIC	Command information centre
CMT	Crisis management team
CO	Commanding officer
CoS	Seaworthiness certificates
CODAG	Combined diesel and gas turbine
CPP	Controllable pitch controller
DCC	Damage control console
DCO	Damage control officer
DELOP	Diesel Engine Local Operating Panel
DSC	Digital selective calling
E1	First engineer
EA	Engine assistant
ECC	Electrical control console
ECDIS	Electronic Chart Display and Information System
EE1	First electrical engineer
EEA	Electrical engineer's apprentice
EEOW	Electrical engineer of the watch
EOOW	Engine officer of the watch
EOOWA	Engine officer of the watch assistant
ERS	Emergency Response Service
ETA	Estimated Time of Arrival
FC	Fluid coupling

FD	Forsvarsdepartementet / Ministry of Defence
FFVTS	Fregattvåpenets treningssenter / The frigate branch's training centre
FGL	Forsvarssjefens grunnsyn på ledelse i Forsvaret / Chief of Defence's leadership philosophy
FIF	Forsvarets felles integrerte forvaltningssystem / Armed Forces' Defence Integrated Management System
FLO	Forsvarets logistikkorganisasjon / The Norwegian Defence Logistics Organisation
FMA	Forsvarsmateriell / Norwegian Armed Forces Materiel Safety Authority
FMT	Forsvarets materielltilsyn / Norwegian Armed Forces Materiel Safety Authority
FNAN	Fridtjof Nansen
FOH	Forsvarets operative hovedkvarter / Armed Forces operative headquarters
FORACS	Forces Sensor and Weapon Accuracy Check Site
FOST	Flag Officer Sea Training
FU	Follow-up
HING	Helge Ingstad
HM	Helmsman
HNoMS	His Norwegian Majesty's Ship
HQ1	Damage control headquarters
IC	Incident commander
IECLOP	Integrated Electronic Controller and Local Operating Panel
IPMS	Integrated Platform Management System
ISM	International Safety Management
JRCC	Joint Rescue Coordination Centre
KNMT	KNM Tordenskjold / Naval training establishment
KV	Kystvakt / Coastguard
LC	Load centre
LDPCP	Local Diesel Propulsion Control Panel
LMC	Lean Manning Concept
LOP	Local Operating Panel
LPP	Length between perpendiculars
LRCC	Local rescue coordination centre
LWL	Length waterline
MARKAP	Maritime kapasiteter / Maritime capacities
MBL	Mission based leadership

MCR	Machinery control room
MEO	Marine engineer officer
MFD	Multi functional display
MoD	Ministry of Defence
NATO	North Atlantic Treaty Organization
NAVDIST	Naval distinction
NavKomp	Sjøforsvarets Navigasjonskompetansesenter / the Navy's topmost competence centre for navigation
NDMA	Norwegian Defence Material Agency
NDLO	Norwegian Defence Logistics Organisation
NESC	Centre for Naval Engineering and Safety
NFU	Non-Follow Up
NORMASC	Norwegian material and safety check
NORNOC	Norwegian Naval Operations Centre
NR	NATO Restricted
NSC	Naval Ship Code
NSC	Centre for Naval Engineering and Safety
NSD	Naval System Division
NSIA	Norwegian Safety Investigation Authority
OAG	Office of the Auditor General
OD	Oil distribution
OOW	Officer of the watch
OOWA	Officer of the watch assistant
OOWAT	Officer of the watch assistant trainee
OOW CIC	OOW in the command information centre
OOW-R	OOW being relieved
OOW-T	Officer of the watch under training
OSC	On scene coordinator
OPUS	Operativ Periodisk Utsjekk Sjø / Sea training concept
ORO	Operations officer
PA	Public address
PCC	Propulsion Control Console
POB	Person on board
RAR	Rules and Regulations
RMS	Retningslinjer for materiellsikkerhet i forsvarssektoren / Guidelines for materiel safety in the defence sector

RPM	Rotations Per Minute
RTU	Remote terminal unit
SNMG1	Standing NATO Maritime Group One
SOG	Speed Over Ground
SOP	Standard Operating Procedure
SPT	Sound Powered Telephone
SSC	Separate steering control
SSDD	System Segment Design Document
SSL	Sjøforsvarets støttelag / The Navy's support organisation
STA	Skipsteknisk avdeling / Ship technical department
STBD	Starboard
STBD LO	Starboard lookout
STCW	Standards of Training, Certification and Watchkeeping for Seafarers
STW	Speed Through Water
T/B	Tugboat
TO	Technical order
TRJE18	Exercise Trident Juncture 2018
UHF	Ultra High Frequency
UPS	Uninterruptible power supply
VBKS	Vedlikehold, base, kontroll og sertifisering / Maintenance, base, inspection and certification
VDR	Voyage Data Recorder
VHF	Very High Frequency
VTS	Vessel Traffic Service
WEO	Weapon engineer officer
WSB	Weapon Section Base
XO	Executive officer
